STANFORD, LINCOLN COUNTY, KENTUCKY, FRIDAY, DECEMBER 22, 1911

EVERY TUESDAY AND FRIDAY

BELOVED PHYSICIAN DIES AT PARKSVILLE.

**Dr. W. A. Brown Succumbs to Grim
Reaper After Long Illness—
Well Known in Stanford.**

The news reached here Wednesday morning of the death at Parksville of Dr. W. A. Brown, one of the most prominent citizens of the county of Boyle, and one of the oldest practitioners in the state. He had suffered for years with a throat trouble and had sought relief in several climates and through some of the most noted physicians in the United States. Last winter he and his good wife who survives him, spent several months in Orlando, Fla., and he left that city feeling somewhat improved. But the benefit was of short duration and he has been in a critical condition since early fall.

Dr. Brown was a most successful practitioner and for nearly a half century he answered calls from the poor and rich alike. In fact his goodness to the poor gave him the name of the poor man's doctor, for it mattered not how dark the night nor how long the road he never failed to answer the call of the poor and unfortunate.

Dr. Brown is survived by the wife referred to above and the following children: Mr. J. H. Brown of Parksville, and Mesdames A. H. Humble, of Seaman, O., J. Henry Hanks, Junction City, and John Hanks, of Boyle county. He was nearly seventy years of age and was a citizen of whom any community had a right to be proud. He was an uncle of Dr. E. J. Brown, of this city, who was devoted to him.

Dr. Brown was a man of affairs, a pleasing conversationalist and a high-toned gentleman. Standing nearly six feet four inches, he was a typical Kentuckian in appearance and in his breast there beat a kind heart as mortal man ever knew. Peace to the ashes of the grand old gentleman and may his good deeds on earth be rewarded by life eternal in the land beyond the skies. The funeral services took place at Parksville yesterday morning after which all that was mortal of the good husband, indulgent father and model citizen was laid to rest. A great crowd attended the funeral exercises, many coming from this county to pay their respects to the man whom to know was to admire.

NEW CASHIER FOR WAYNESBURG BANK

Stanley McIntosh Severs His Connection To Go With Larger Institution In Ohio

Stanley McIntosh, who has been cashier of the Waynesburg Deposit Bank since the organization of that institution several years ago, has tendered his resignation to take effect January 1st. The directors accepted it with much reluctance and his place was filled by the election of Frank Mobley, of McKinney. The I. J. is not advised as to whether Mr. Mobley has had banking experience but knows that he comes from a highly honored family and he is spoken of as a splendid business man.

The Waynesburg bank is progressing nicely and no little of the credit is due Mr. McIntosh who has labored faithfully for the upbuilding of the concern. Mr. McIntosh will go to some place in Ohio and take the position of cashier in a bank. The I. J. wishes him much success in his new field of labor and with the rest of his friends regret that he has seen fit to leave Lincoln county.

**THROWN FROM BUGGY BUT
NOT MUCH HURT.**

While visiting at Hustonville and driving with some lady friends, Miss Mary D. Kennedy met with an accident that gave her quite a shock. The king bolt of the vehicle in which she was riding broke and the buggy coming to pieces, she and her friends were precipitated to the ground with considerable force. Her friends escaped injury but Miss Kennedy sustained some bruises and a cut on the upper lip that is more painful than dangerous. Her many friends regret her misfortune but are delighted that matters are not worse.

Mr. E. D. Kennedy, who is a guard at the asylum in Columbus, O., is expected home today to spend Christmas with his family.

OLD STANFORD COLLEGE

Is Property of County Board of Education, Says Higher Court.

The Court of Appeals last week affirmed the judgment of the Lincoln Circuit Court in the suit involving the disposition of the old College property on Main street. The lower court held that the college became the property of the County High School purposes and it is this judgment which the high court upholds.

For the past several years the Stanford City Schools have been using the college for the primary grades. Under the decision of the court, some new arrangements will probably be made between the city board of education and the county board when the present term work comes to an end.

The ladies of the Baptist church will give a bazaar and exchange at the postoffice, this Friday, beginning at 9:30 o'clock. They will have on sale all sorts of fancy work, good things to eat and other things suitable for Christmas presents. Call to see them.

LYNN— FIELDS

Pontiar Young Couple Are Made One By Rev. J. B. Jones

Henry Fields and Miss Catherine Lynn, two of the most popular young people of Lincoln, slipped off and were quietly married at the Baptist parsonage by Rev. J. B. Jones late Wednesday afternoon. The wedding was quite a surprise to their many friends, but not a big surprise, for they have been expecting the good news for some time but were not aware when it was coming. They were accompanied by Mr. George H. Hall and Miss Annie Woods, who heard the words and which made the twin one. Mr. Fields recently bought out the meat market of J. C. Lynn in Stanford. Before that he was a hustling young farmer, liked and respected by everyone and numbering his friends by his acquaintances. His bride is the charming daughter of Mrs. John Lynn, of the Somerset mine, and will make a splendid helpmate for him in every way. Their host of friends extend heartiest congratulations and good wishes.

MRS. ANNIE ENGLEMAN WINS \$10,000 SUIT

Court of Appeals Says L. & N., Must Pay Big Damages For Death Of Her Daughter

The Court of Appeals last week affirmed the judgment of the Lincoln Circuit Court which awarded Mrs. Annie Engleman's administrator of her daughter, Hattie K. Engleman, \$10,000 damages against the L. & N. railroad Company for the death of her daughter. Little Hattie K. Engleman was struck by an engine and killed while driving across the track at Woods' crossing on the Knob Lick pike.

This was the second trial of the case. A jury at the first trial awarded Mrs. Engleman \$10,000 damages but the higher court reversed the judgment, and sent the case back for retrial. Upon the second trial a jury again gave Mrs. Engleman \$10,000 and it is this judgment which the higher court now affirms.

The many friends of Mrs. Engleman will congratulate her upon this favorable ending of her case.

CHRISTMAS

Before another issue of the paper is printed, Christmas, the gladdest season of all the year, will be upon us, and it behooves us to rightly celebrate this great occasion. It is the time when giving is in order and when we should strive our hardest to make all around us happy. It is the season of good cheer, the season of forgiveness and lastly the season when all mankind should endeavor to make the world better. It is a closing up of accounts of the old year and the preparation for another journey of the year that is before us. It is a time when our friends and loved ones gather around us and gladden us with their presence. It is the season when the young and old alike feel that it is good to live and that they have much to be thankful for. Blessed season it is, and thrice blessed is he whose lot is cast among such people as we have around us. God-fearing, law-abiding, peaceable people—verily the salt of the earth. Those who have never spent a Christmas in Kentucky and among such people as surround us have cause for regret. Unfortunately are they whose lines have not fallen in such pleasant places. Sunday night old Santa and we thank the Lord for the sweet delusion, will make his annual rounds and Monday morning thousands of little ones will awaken to find their little stockings literally crammed with good things. Picture the fond parents as they see their offspring experiencing such unbounded pleasure. May every child in Lincoln county have a full stocking and many a heart made glad by seeing the little fellows go through them. But there is always among us a class who can not afford to give their children this great pleasure. Can't we help these unfortunates? Surely we can do something that will dispel the sorrow in their hearts and support it with happiness. Even the poorest of us can add a spark of joy to some one. Then let's do it

and do it now. It is more blessed to give than to receive is as true as gospel and he who gives to the poor lendeth to the Lord in a way that will bring him ultimate happiness. Don't forget the poor the rich will care for themselves. May the coming Christmas be the climaxing one in the history of the present generation and may the thousands of patrons of the "cheapest and best" enjoy the yuletide as they never did before. Here's hoping and wishing them all the good things that can come their way.

If Attorney General Garnett is having a hard time finding a man to fill the place of First Assistant Attorney General, we suggest that G. H. Briggs, of Frankfort, who has already been mentioned in many of the papers for the place, would fill mightily well and prove an honor to the office and the right man in the right place. We know that Mr. Briggs is splendidly qualified in every way for the responsibilities of this office, and his many friends over the state would rejoice to see him so honored by the new attorney general.

Make the I. J. a much appreciated Xmas present by bringing in or sending in your subscription.

A VALUABLE SUGGESTION IMPORTANT TO EVERYONE.

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

During the winter months especially, when we live an indoor life, the kidneys should receive some assistance when needed, as we take less exercise, drink less water and often eat more rich heavy food, thereby forcing the kidneys to do more work than Nature intended. Evidence of kidney trouble, such as lame back, inability to hold urine, smarting or burning, brick dust or sediment, salt low complexion, rheumatism, may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

An herbal medicine containing no minerals or opiates has the most healing influence. An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root.

You may receive a sample bottle of Swamp-Root by mail, absolutely free. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention the Stanford Semi-Weekly Interior Journal.

George Skinner who escaped from the asylum at Lexington last week and was trying to make his way to his home at Corbin, was arrested by Deputy Sheriff J. M. McCarty Monday, upon a telephone message from the officials at Lexington. He was placed in jail here until officers could come for him.

Laxative Sent Free to Try

It may be taken for granted that there is no family of any size that goes very long without needing a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers, and scores from prominent men saying they are using it personally and giving it to their families, men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention.

The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative, yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowels so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty cent or one dollar bottle of any druggist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Being convinced, do as others are doing and buy it in the regular way of your favorite druggist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. R. Caldwell, 23 Caldwell Building, Monticello, Ill.

You can't put it off only this week and next to buy.

An Innovation in Oil Heaters

The Perfection Smokeless Oil Heater, with its drums enameled in turquoise, is an ornament to any room, whether in the country or city home.

No home is quite complete without a Perfection Oil Heater. It is a necessity in the fall and spring, when it is too warm to start the regular heating apparatus, and too cool to be without heat. In the midst of winter it is often convenient as an auxiliary heater, as there are always some cold corners in a house.

The enameled heater always presents a nice appearance, as the enamel will not tarnish or burn off. It is not an "enamel paint," but it is the same as the enamel of your cooking utensils.

The Perfection is the most reliable and convenient portable heating device you can find. An automatically-locking flame spreader prevents turning the wick high enough to smother.

FISCAL COURT MEETS

The fiscal court was in session Tuesday and allowed the turnpike claims for the year 1911. They amounted to between \$15,000 and \$16,000, which is about the average for the past several years. This put a good deal of money in circulation and came in good time to invest in good things for the Christmas holidays. The members of the court completed their labors in a day and were off to their respective homes by three o'clock.

FACTS AND FICTION

Experiences of Stanford Citizens Are Easily Proven To Be Facts.

The most superficial investigation will prove that the following statement from a resident of Stanford is true. Read it and compare evidence from Stanford people with testimony of strangers living so far away you cannot investigate the facts of the case. Many more citizens of Stanford will endorse Doan's Kidney Pills.

Mrs. Nancy A. Logan E. Main St. Stanford Ky., says: "I scarcely know how to express my gratitude to Doan's Kidney Pills for the benefit they brought me. When I began their use, I was in a miserable condition. My back seemed to have given out entirely and pained me terribly. I often became so weak and lame that I was almost prostrated. Learning of Doan's Kidney Pills, I procured a supply at Shugars & Tanner's drug store and in view of the results I received, I can give them the highest praise. Doan's Kidney Pills not only relieve my

backache, but also restored my kidneys to a normal condition."

LIVED ON RAW EGGS

Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind. He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.

I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs. It was a physical wreck. I could not sleep, and was as near crazy as a man could well be.

I must say that after taking two 25-cent packages of Doan's Black-Draught, it did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron. This purely vegetable remedy has been in successful use for more than 70 years. Try it. But be sure that it's "Doan's."

NOTICE OF ELECTION

Regular term Lincoln county court held 11th day of December, 1911, Hon. James P. Bailey Judge presiding.

In Re J. G. Weatherford and others, petition for local option election.

Upon the hearing of the above styled cause, P. M. McRoberts, an Attorney, appeared before the court and moved the court to file a certain paper, which he then presented, and which is in words and figures as follows:

"In re J. G. Weatherford and others, petition for local option election.

Now comes, J. A. Allen, C. E. Tato, L. G. Gooch, W. B. Singleton, R. Y. Ballard, G. C. Riffe, S. G. McKinney, Rufus Lipp, James Yowell, W. A. Coffey and other citizens, residents and voters in Lincoln county Kentucky, and moved the court to continue the hearing of this case, until Thursday December 14th, 1911 in order that the above persons and others opposed to the holding of said election, may have an opportunity to examine the list of petitioners filed herein, to the end that all persons signing said petition, who are not legal voters, and whose names are improperly signed and appear thereon may be stricken therefrom, and they state and are advised and believe that said petitioners do not contain a sufficient number of legal petitioners to authorize this court to call said election, and this motion is made in good faith and not for purposes of delay. They state that said petition was only filed on Friday December 8, 1911 and they have had no time to make a careful examination of said list, which contains about 1750 names," and the attorneys thereon moved the court to continue the hearing of this cause until Thursday, December 14th, 1911, to the filing of which paper and the making of said motion J. S. Owsley and G. D. Florence, attorneys for the petitioners objected and it appearing to the court that said P. M. McRoberts did not represent any person whose name was signed to the petition asking for said election overruled his motion to file said paper and overruled his motion to continue the hearing of said cause.

And thereupon the petitioners by their attorneys deposited with the court the sum of \$175, being the amount fixed by the court as necessary to defray the expenses of said election and the petitioners moved the court that said cause be heard and the court sustained said motion.

And it appearing to the court that at a special term of this court held Friday, December 8th, 1911 a written petition was filed and noted of record signed by a number of legal voters in each of the precincts of Lincoln county equal to and more than 25 per cent of the votes cast in said several precincts at the regular November election, 1911 asking that an election be held in said Lincoln county on February 10, 1912, for the purpose of taking the sense of the legal voters of said county who are qualified to vote at an election for county officers, upon the proposition whether or not spirituous vinous or malt liquors shall be sold, bartered or loaned in Lincoln county, and asking that the provision of the law and prohibition be applied to, druggists, and this day came said petitioners and moved the court to enter an order directing said election to be held as asked in said petition, and it appearing to the court upon the proof heard in open court upon said motion that the signatures of said petitioners are true and genuine signatures of the persons whose names appear thereon, and that the petitioners are legal voters in their respective precincts in said Lincoln county as set forth in said petition, and that the regular election held November 7th, 1911, is the last preceding general election held in said county, and that there are 13 voting precincts in said county, and

I was a great sufferer for six years from a trouble peculiar to women, but I am thankful to say, after taking four bottles of your 'Favorite Prescription' I am not bothered with that dreadful disease any more. I feel like a new woman. When I first wrote you for advice I only weighed 115 pounds—now I weigh 135."

"I thank you very much for your kindness. You have been as a father to me in advising me what to do, so may God bless you in every effort you put forth for good."

Cured in His Own Home Town

Hopkinsville, Ky., J. W. Jordan, a well known dentist living on Kentucky avenue, near 7th Street, tells the way for his fellow townsman to be cured of kidney and bladder trouble as he himself was cured. "I had kidney trouble in a very bad form and two doctors performed an operation, but the first relief I had was after taking Foley Pills. They have done me more good than anything else I have tried. I used to have a terrible pain across my back but since taking Foley Kidney Pills I have had no pain and gladly recommend them to all who have kidney trouble." Shugars and Tanner.
